WEDDINGS AT THE VCM

As of April 2021

Thank you for your interest in the Victoria Conservatory of Music (VCM) for your wedding.

The VCM offers wedding ceremonies in the century-old charm of the Alix Goolden Performance Hall (AGPH), making for breathtaking photographic backdrops. Being one of the only non-denominational sanctuaries in the Victoria area, AGPH continues to play host to all types of ceremonies and events.

ALIX GOOLDEN PERFORMANCE HALL

Our premier venue, a former Metropolitan United Church built in 1890, is an ideal setting for wedding ceremonies for groups of 50 to 500. The hall features fine acoustics, vaulted ceiling, filigree iron railings, carved wooden pews, and intricate stained glass windows and a Yamaha Concert Grand (to rent).

With both main floor and upper level seating, the hall has hosted countless musical events, internationally renowned authors and speakers, and even a visit from the Prime Minister of Canada.

We are located in downtown Victoria, within 1 or 2 blocks of parking lots and all other amenities.
