

Students are asked to complete a Term Overview Sheet in full, outlining all technique, studies, and repertoire studied through the term – in this way there is a record of your term's work. Please star (\*) materials and repertoire specifically prepared to perform for your jury: the selected jury programme must conform to the requirements given below. Repertoire may not be repeated between jury terms, this includes works studied for combo / collaborative ensemble music courses. Carefully complete this sheet, as it forms a part of your permanent student record and may be used by other schools in the future to help in establishing transferability of credit for work done toward completion of this course.

Your jury is the opportunity to perform before a panel of senior artist faculty who will assess the overall level of performance against accepted provincial and national standards assumed for the level of study undertaken (i.e., First Year, or Second Year). The panel assesses this as a current demonstration of your performance level and may take into consideration progress since your last jury (or audition).

Due to time constraints, the jury panel may not hear complete works or all works prepared: only about half of the scheduled time is given over to performance of repertoire, the remainder being dedicated to viva voce (verbal responses indicating a thorough and detailed understanding as to the content, context, circumstance of each selection), additional technical requirements, deliberation and marking. Juries are only scheduled for 20 minutes maximum, with up to 10 minutes added for those registered in Solo Preparation (i.e., MUSC 160, 161, 260) courses. As time is limited and scheduled tightly, students are asked to arrive early with all music in hand and to be prepared to move quickly into the jury room, when called. Tuning and set-up should be done efficiently.

Students must provide one legal (non-photocopied) copy of each work performed. Public domain repertoire may be photocopied. Demonstration of memorization is expected for all disciplines – please consult your instructor in advance. All vocal lyrics must be memorized.

### **Contemporary Performance**

As necessary, students must make their own arrangements for one or more performance partners to support your jury. It is the student's responsibility to make all arrangements for and on behalf of accompanying musicians. If required, the VCM Postsecondary Department will provide students with a collaborative pianist for their jury. Juries performed without accompaniment as required will result in a lower mark. Students are advised to make arrangements for the services of an accompanying partner as soon as jury schedules are posted.

### **Contemporary Performance – Instrumental Music**

Prepared repertoire should include a well-chosen variety of covers, standards, and may include no more than one original piece per jury (optional). Repertoire representing different tempi and moods is expected. A selection of technique and/or technical studies basic to the instrument or voice, as worked on throughout the term, is expected to be performed at each jury. Demonstration of both solo and accompanying performance abilities will be heard and assessed. See previous note about performance partners.

NOTE: Instrumental performance students are expected to demonstrate a leadership/soloist role (not back-up or accompanimental), within their jury and will be graded upon both melodic and technical proficiency in a variety of styles and genres.

IMPORTANT: Guitar students, if choosing to use alternative tuning systems during their jury are required to either have a secondary instrument or use a digital tuner to expedite the tuning process.

Drum students are required to bring performance partners to support at least one selection of their principal instrument jury. You may be asked to demonstrate a variety of styles, patterns, and time signatures, at the jury panel's discretion.

If successful, this designation may be conferred by the VCM, in addition to your completed Camosun credential (Diploma). Students interested in this possibility – prior to the start of their second term of First Year – must first consult with their own Principal Instrument instructor as to practicality of pursuing this option, and then consult with the Director of Postsecondary Studies about course availability for the following year. If all parties agree, then the complete VCM Grade 10 requirements for your instrument / voice must be presented at your jury in lieu of the requirements posted above and must be completed with a mark of 80% or better.
